Lynchpin  
Media  
PUBLICATION

Expert insight for intelligent business leaders

## ABOUT LYNCHPIN MEDIA

Lynchpin Media is an independently owned media communications company, whose main aim is to help organisations reach and influence decision-makers in Europe, the Middle East, Africa, APAC, North America and LATAM. We have a growing database of over 127 million global business decision-makers. Our ethos

is based around intelligence obtained from targeted campaigns.

By understanding our audience we are better informed to advise our clients and help forecast market trends. We work with our clients to identify new customers and their requirements.

## OUR BRANDS

**Intelligent CIO** – Enterprise IT brand for all executives involved in the application of technology for strategic, competitive advantage and improved efficiency. Our editorial objective is to help our readers become more confident and successful in their use of technology, their choice of suppliers and their management of people and partners.

**Intelligent CISO** – Our global cybersecurity brand targeted at the EMEA, APAC, North America and LATAM enterprise sector. Helping CISOs face the constantly evolving challenge of keeping their organisation's IT environment protected while deciding where to prioritise business investment.

**Intelligent Data Centres** – Designed to bring the latest news and trends to the EMEA, APAC, North America and LATAM data centre industry, allowing its readers to better understand the views of the community, including vendors, distributors, resellers and the all-important end-user.

**Intelligent Tech Channels** – Aimed at the EMEA, APAC, North America and LATAM vendor partner ecosystem covering news, trends and features; offering unparalleled advice to the regional channel community.

**Intelligent SME.Tech** – Intelligent *SME.tech* is a technology intelligence platform aimed at the SME sector

across EMEA, APAC, North America and LATAM, showcasing how technology solutions are helping small- and medium-sized businesses to scale.

**Intelligent Health.tech** – Designed to bring the latest healthcare news and trends to EMEA, APAC, North America and LATAM. It aims to inform decision-makers through thought leadership and industry expertise.

**Intelligent Fin.tech** – Designed to bring the latest financial news and trends to EMEA, APAC, North America and LATAM. It aims to inform decision-makers through thought leadership and industry expertise.

**Intelligent Build.tech** – A technology intelligence platform helping to share building innovations globally. It is aimed at the construction sector across EMEA, APAC, North America and LATAM.

BY UNDERSTANDING OUR AUDIENCE  
WE ARE BETTER INFORMED TO  
ADVISE OUR CLIENTS AND HELP  
FORECAST MARKET TRENDS.

## WHAT WE DO

**O**ur ethos is based around intelligence obtained from targeted campaigns. By understanding our audience we are better informed to advise our clients and help forecast market trends.

- **Create** original, thought-leading content
- **Engage** senior IT and business leaders globally
- **Deliver** powerful campaigns and targeted leads

We work with our clients to identify new customers and their requirements. In a nutshell, we:

DEDICATED  
REGIONAL  
MAGAZINES AND  
WEBSITES OFFER  
A WEALTH OF  
ADVERTISING  
AND AWARENESS  
OPPORTUNITIES.

## STRATEGIC CONTENT SERVICES

### Our team can help client content stand out from the crowd.

### Customer case studies

Customer case studies will feature on the magazine cover across print and digital editions, as well as on our social media channels.

### Case study licensing

We create and share our clients' content across our publications before putting it into a format they can use for their own marketing purposes.

### Vendor cover stories

Through our vendor cover stories, clients will be positioning themselves as thought leaders in their field.

### Content creation: print, digital and video

Our content specialists create bespoke packages, which can be shared across our channels and digital platforms, including newsletters.

### Supplements and e-books

We can build bespoke packages around individual requirements and promote content across all channels.

### Virtual interviews

Our content specialists conduct virtual interviews with clients, which are shared across our range of content platforms.

### Webinars

Entirely dependent on client needs, we can help drive participants to online events or organise and run webinars on their behalf.

### Technology event coverage

We build packages based around individual requirements, including the creation of event micro-sites, newsletters and live blogs.
